

Say hello to STS Cloud.

YOUR NEXT-GENERATION, CLOUD-BASED, SECURELY HOSTED SALES AND CATERING SOFTWARE-AS-A-SERVICE.

SalesAndCatering.com

OUR VALUES

STS Cloud is a full-featured, cloud-based sales and catering system that empowers your sales and catering teams to perform at the highest level.

100% web-based, so there's no software to install or maintain, and no expensive IT infrastructure needed. Product updates, designed to keep you on the forefront of technology, are delivered in real-time.

Your customer and booking data are available to you anytime and anywhere, on your PC, tablet, or mobile devices.

Backed by our world-class commitment to personalized and timely customer service.
